

This form must be completed for all Blue Cross of Idaho member submitted claims. A receipt of payment may be requested before the claim is processed. To eliminate any delays, please attach a copy of the receipt.

- If any of the services were related to an accident, the ACCIDENTAL INJURY INFORMATION section below must also be completed. Failure to do so could result in delayed processing of your claim.
- Circle the charges on your provider's statement that you are submitting and staple the statement to the form. The provider's statement must indicate: the individual provider's name or NPI number, a procedure code and diagnosis code for each service provided, the date the service was furnished, and the charge for each service. Submit a separate member claim form for each different provider.
- To file charges for more than one patient, even if the charges are all on one bill, please:
 - Complete a separate form for each patient AND attach a separate copy of the provider's bill to each patient's form, if needed.
 - If a claim is submitted for services rendered by an out of state provider, we may forward your claim to the appropriate Blue Cross Blue Shield Plan to be processed.
- Mail all forms to the mailing address in the upper right corner of this form.
- For prescription drug claims, the pharmacy receipt must include the NDC number, name of drug, quantity and dosage. For members with a Pharmacy Benefits Manager (PBM) such as CVS Caremark, pharmacy reimbursement may need to be sent to PBM directly. Additional information about your PBM may be found on the back of your membership ID card.

You should hear from us within 30 days upon receipt by our Plan. Please do not re-submit these charges to us in the meantime.
